ADAM DEVELOPERS ENTERPRISES INC.

Chapter 11  
Case No.: 1-16-43823  
(CEC)

Debtor

**VERIFIED COMPLAINT**

ADAM DEVELOPERS ENTERPRISES INC.,

Plaintiff,

ADV. PRO. NO. \_\_\_\_\_

-against-

NEW YORK STATE OFFICE OF PARKS, RECREATION  
AND HISTORIC PRESERVATION,

Defendant.

Plaintiff ADAM DEVELOPERS ENTERPRISES INC. complaining of the Defendant by their attorneys Law Offices of Gabriel Del Virginia respectfully alleges as follows, that:

1. At all times hereinafter mentioned, ADAM DEVELOPERS ENTERPRISES INC. (“ADE”, “Plaintiff” or “Debtor”) is a corporation organized and operating under the laws of the State of New York with offices located within the Eastern District of New York.
2. Upon information and belief, at all times hereinafter mentioned, NEW YORK STATE OFFICE OF PARKS, RECREATION AND HISTORIC PRESERVATION (“PARKS”) is an agency of New York State, a municipality with offices located in the Eastern District of New York, Albany, NY12238.

3. That the United States District Court for the Eastern District of New York has jurisdiction over the parties, pursuant to Title 28 of the United States Code § 1334 which provides the District Court with original jurisdiction of all civil actions arising under the Title 11 of the United States Code – Bankruptcy Code.

4. That the United States District Court for the Eastern District of New York has venue pursuant to 28 U.S.C. §1331(b), 28 U.S.C. § 1331(c) and 28 U.S.C. § 1331(c) as the Debtor's principal place of business is located within the Eastern District of New York.

5. On August 24, 2016, Plaintiff Debtor filed a voluntary petition for relief under Chapter 11, Title 11, United States Code, 11 U.S.C. § 101 *et. seq.* (the "Bankruptcy Code").

6. The Debtor has continued in the possession and management of its properties and affairs pursuant to Sections 1107 and 1108 of the Bankruptcy Code.

7. The Debtor is a general construction contractor who has a construction contract with New York State Office of Parks, Recreation and Historic Preservation, Contract Number D004589 (the "Contract") for work at Roberto Clemente State Park Upper Plaza Reconstruction, located in 301 West Tremont Avenue, Bronx, NY 10453, New York (the "Project"). The contract was awarded to Adam Developers Enterprises Inc on or about August 25, 2015 in the amount of \$6,241,370.00.

8. On or about August 23, 2016, PARKS sent a Notice of Default to ADE ("Notice of Default").

9. At no time has PARKS terminated the Contract.

10. PARKS wrongfully claimed in its Notice of Default that ADE failed to supervise the work of subcontractors or employ proper means and methods to complete the work

for the Contract in a manner consistent with the approved drawings and specifications as the basis of default.

11. ADE has at all times while working under the Contract on the Project properly supervising the work on the Project. And ADE responded and disputed with full back up documentation to this wrongful declaration of default in their letter dated August 23, 2016 which no response received from PARKS to date.

12. ADE has at all times while working under the Contract on the Project proceeded with and installed work in a manner consistent with the approved drawings and specifications that were not affected by changes in scope caused by errors and omissions on by PARKS' Architect/Engineer of Record (RBA Group) which resulted in an extensive increase in costs and delays in the project schedule. At the time of issuance of wrongful declaration of default on August 23, 2016, there was no open non conformance report (NCR); and ADE submitted delay claim on March 25, 2016 to all these design and delay issues.

13. Errors and omissions by PARKS' Architect/Engineer of Record (RBA Group) for the Project resulted in delays and extensive increase in costs for the work on the Project.

14. PARKS made multiple changes to the Staging, Maintenance and Protection of Traffic ("MPT") plans for the Project which caused significant delays and increases in the scope of the Structural Steel work for the Project. The drawings for the MPT Plans was revised on 6 different occasions; the last revision was done in June 2016 almost 2 month prior to the issuance of wrongful declaration of default on August 23, 2016. (MPT Plans are the first step to establish temporary construction fencing, temporary staging area and temporary utilities to start the work project. No work can start without receiving a final approved MPT Plans from the PARKS and Architect/Engineer of Record (RBA Group).

15. PARKS made multiple changes to the Staging, Maintenance and Protection of Traffic (“MPT”) plans for the Project which caused significant time delays for the completion of the Contract for the Project.

16. PARKS made multiple changes to the Staging, Maintenance and Protection of Traffic (“MPT”) plans for the Project which caused significant cost increases for the work, labor and services under the Contract for the Project.

17. PARKS and Architect/Engineer of Record (RBA Group) made significant changes and revisions to the original contract drawings. They issue multiple observation reports with new drawings resulting ADE delays to submit and approve structural steel shop drawings. Also delays to fabricate and deliver the structural steel on site. It is also to be noted that it resulted in the increase of cost and delays beyond ADE control.

18. In or about December 2015, the existing structural steel on the Project was exposed for view.

19. In or about December 2015, PARKS’ structural engineer for the Project, Silman Engineering, visited the site to review the condition of the existing steel.

20. In or about December 2015, it was determined that the condition of the existing steel was in such poor condition that PARKS’ structural engineer for the Project, Silman Engineering needed to make three visits to the site and issue three reports documenting poor existing steel conditions and proposing an increase in the scope of work to the existing structural steel.

21. In or about December 2015, it was determined that the condition of the existing steel was in such poor condition that PARKS’ structural engineer for the Project, Silman Engineering needed to make three visits to the site and issue three reports documenting poor

existing steel conditions and proposing an increase in the scope of work to the existing structural steel causing delay in the production, delivery and installation of the structural steel for the Project.

22. In or about December 2015, it was determined that the condition of the existing steel was in such poor condition that PARKS' structural engineer for the Project, Silman Engineering needed to make three visits to the site and issue three reports documenting poor existing steel conditions and proposing an increase in the scope of work to the existing structural steel causing delays and increased costs for the Project. To date there are still structural steel design errors unresolved which required significant redesigning and additional cost.

23. In or about May 2016, PARKS' structural engineer for the Project, Silman Engineering issued a final report so that ADE could then prepare shop drawings for the structural steel work for the Project and so that production of the structural steel could commence. It is to be noted that on or about one week prior to issuance of wrongful declaration of default issued on August 23, 2016, almost 75% of the structural steel fabricated was delivered on site which is to date stored on site in ADE designated area.

24. PARKS' and Architect/Engineer of Record (RBA Group) caused a delay from in or about December 2015 through May 2016 due to PARKS' failure to discover the poor condition of the existing steel at the Project prior to requesting bids from contractors for the Project.

25. PARKS' was negligent in its due diligence in its failure to discover the poor condition of the existing steel at the Project prior to requesting bids from contractors for the Project.

26. PARKS' was negligent in its due diligence in its failure to discover the poor condition of the existing steel at the Project prior to executing the Contract for the Project with ADE.

27. PARKS and his employee acted in bad faith by creating a hostile environment though their prejudice statements and actions against ADE and their employees/ subcontractors so as to create an environment designed to cause ADE to fail in the execution of the work. Which caused ADE to file a formal complaint on August 24, 2016 against PARKS Employee, Mr. Stephen McCorkell, RLA, Capital Facilities Manager, New York City Region; which is unanswered to date.

28. ADE also file a formal complaint against Mr. David Logsdon, Project Superintendent from LiRo Group who is the construction manager on this project for his actions in bad faith by creating a hostile environment though their prejudice statements and actions against ADE and their employees/ subcontractors so as to create an environment designed to cause ADE to fail in the execution of the work. Mr. Logsdon formal complaint was file on August 24, 2016 attention to Mr. Luis M. Tormenta, CEO of LiRo Group.

29. ADE is owned by a minority individual.

30. ADE is and at all times relevant to this action a New York City and New York State certified minority business enterprise (MBE).

31. PARKS employee and independent construction manager, LiRo Group representative discriminated and act in bad faith against ADE.

32. PARKS employee and independent construction manager, LiRo Group representative discriminated against ADE's principal.

33. PARKS employee and independent construction manager, LiRo Group representative discriminated against ADE's shareholder.

34. PARKS employee and independent construction manager, LiRo Group representative acted in a wrongful manner against ADE.

35. PARKS employee, independent construction manager, LiRo Group representative acted with misconduct against ADE.

36. PARKS employee, independent construction manager, LiRo Group representative acted with malfeasance against ADE.

37. PARKS employees, independent contractors and representative acted in an unethical behavior manner against ADE.

38. PARKS employee, independent construction manager, LiRo Group representative discriminated against ADE.

39. PARKS' agents and/or representative, its construction manager, LiRo Group acted in bad faith by creating a hostile environment though their prejudice statements and actions against ADE and their employees/ their subcontractors so as to create an environment designed to CLADE to fail in the execution of the work.
